

Thompson PRTF Adira Cottage

Thompson Psychiatric Residential Treatment Facility (PRTF) expands to fill a much needed gap with a new specialized service for **adolescent girls** challenged by trauma and victims of human trafficking.

This new service provides intensive clinical treatment within a safe, supportive living environment on our Saint Peter's Lane Campus in Matthews, NC.

PROGRAM HIGHLIGHTS:

- Utilizes clinicians in TF-CBT and DBT modalities based on the youth's needs.
- 24/7 supervised care and support.
- Smith Cottage can accommodate up to 8 girls, each with their own bedroom and bathroom.
- Trauma-informed care and evidence-based practices.
- Relationship-based theoretical model.
- Healing, natural environment with spiritual life component.
- Evaluation of results and outcomes.
