

Thompson Foster Care Services

WHAT'S THE MOST IMPORTANT THING YOU HAVE TO OFFER A CHILD?

A Home. It's more than four walls and a roof. It's someone like you, with the desire to put your heart and soul into raising a child. Everyday, children in your community are waiting for a place to call home.

As a Thompson foster parent you will receive personal one-on-one support, extensive training and the comfort of knowing that Thompson staff is always there when you need help and guidance.

*"Please find me a family.
I don't care what flavor they are."*
