Thanks to YOU, Miccah's life turned completely around!

Your gift did something simple but life changing.

Miccah's father died a year ago and he struggled emotionally with this loss. His mom works 12 hour shifts and cannot provide the support that he needs. She struggles to make sure Miccah attends school and he is behind in reading and math.

"Miccah is now making strides toward meeting grade level reading and math and it's great to see improvements in the entire family." - Miccah's Friend

Because of you he enrolled in Friends of the Children-Charlotte and was matched with an adult "Friend" who offers an outlet for his feelings.

Without your support, Miccah would still be struggling. Your compassion and generosity made this all possible.

Thank you!

A MESSAGE FROM THE CHAIR OF THE BOARD

When I first joined the Board of Thompson, I never expected to one day be chair. However during my time on the Board I have come to understand the importance of Thompson and the impact it has on our community.

Together we care for children and families in a way that nobody else can or does. Too many fall through the cracks of society. Without your help that number would be much higher.

As we start a new year, I am grateful for your support throughout 2021 and thank you for your commitment to uplifting children and families in Charlotte.
