

HIGH-FIDELITY WRAPAROUND

OVERVIEW

High-Fidelity Wraparound serves children/youth and their families throughout the system of care. Our team assist with:

- Early prevention to avoid out-of-home placements,
- Stabilizing and reunifying foster placements, and
- Supporting post-reunification/adoption.

Their goal is to prepare the youth and/or family to be able to meet their own needs, and support them to a successful outcome.

HIGHLIGHTS

- Help families navigate the child-serving systems
- Advocate for the needs, goals and expectations of the child and the family
- Collaboratively coordinate care leveraging the family, natural supports, schools and community agencies
- Provide services in the home setting or school/community environments
- Flexible scheduling of appointments
- Crisis Intervention and planning

TESTIMONIALS

“The Wraparound team really connected with my family like no other service had before. The family support partner knew what it was like to be a mom raising a son with challenges. I never felt judged. They taught me how to navigate the system and advocate for my family.”

WRAP CAREGIVER

“I have the best wrap around team. Ronnie and Sarah do their best in helping me with problem solving and finding services for my family.”
