

TOP TIER TALENT

I help support healing, hope + resiliency.

What is your name and position at Thompson?

My name is Elizabeth Conde, and I am a teacher at Thompson Child Development Center in the 3-year-old room.

What 'superpower' do you bring to this role?

The superpower I bring is showing each kid positivity, love, and care while they are here. We work through mistakes and learn from them, but they know that nothing they do would make me love and care for them any less.

What's your favorite thing about the Thompson culture?

My favorite aspect is the willingness of everyone to help where/when needed. There are definitely hard days, but I've never come across a teacher who has seen me struggling with a child's behavior and hasn't jumped in to help.

What are you most proud of about your work at Thompson?

I am proud of the safe relationship I have built with the children. It warms my heart each morning when I walk in, and they all yell my name and rush over to give me a hug. I love that they feel comfortable enough to come to me whether they are sad, mad, happy, or just want to play.

If you could sum up your employment with Thompson with a quote - what would it be?

"Alone we can do so little; together we can do so much." ~ Helen Keller
