## intensive in-home program

Clinical care & counseling for children & their families within their home or community setting.

### who we serve

- Youth ages 5-18 years & their families
- Youth with high-risk behavioral, mental health & emotional problems who are at-risk of out-of-home placements
- Medicaid recipients
- Ideal for families who have been unsuccessful with prior counseling services
- Referrals from within Thompson, DSS, case managers, hospitals, & numerous other community organizations

### we help with

- Crisis support 24/7
- Flexible scheduling of appointments
- Cognitive-behavioral & trauma-focused therapy
- Services provided in the home, school or community
- Addressing high-risk behavioral, mental health and emotional problems
