

## You're supporting Mia's goals!

Mia has dreams as big as the sky. At just 10 years old, she is passionate about learning, but her family's financial struggles meant she had to drop out of school to help at home.

She was missing her friends, her teachers, and falling behind in her education.

Because of you Mia was able to return to school and walk through the doors with a heart full of hope and a backpack filled with new supplies.

Without your support, she would still be out of school.

**Thanks to you Mia is on the path to a brighter future.**

**'I am amazed at how quickly Mia caught up with her classmates. Your generosity has reignited her dreams.' ~ Mia's Teacher**

### A Message From The CEO

In May 2024 I proudly revealed our new logo. This is our promise to honor the past and look to the future as Thompson is committed to change, innovation, and increased impact for those we serve.

Each life we touch creates a ripple effect, strengthening our community from within.

Our new logo embodies this spirit, illustrating a spiral of support radiating outward and circling back to us, ensuring we remain a steadfast foundation for those we serve.

Together, let's continue to make a difference that lasts.

## Do you have a big heart?

For disadvantaged children, returning to school can be extremely stressful. Imagine the discomfort of showing up empty handed, with no school supplies, wearing worn out clothes.

**With your help these kids can start the school year off on the right foot, with the confidence and supplies they need to focus on their studies, not their economic challenges.**

Please donate today to make a lasting impact on the lives of countless children in need. Show your big heart and give ALL children the tools they need to pursue their education.

**Please scan the QR code or send back the enclosed voucher with your generous gift!**

**Thanks to you, the kids at Thompson are getting the basic necessities they need!**
