Child Development Center

At Thompson, we practice a wraparound approach to children's education and growth. Our program offers many opportunities for families to partner with their children's teachers, the classroom, and the center as a whole. By building a strong connection between home and school, our partnership ensures your child's future success.

- Care for infants and children from 8 weeks to 8 years of age
- Circle of Parents® support group
- Parent trainings and classes with topics related to child rearing and general family support

Program highlights:

- NC Five-Star Rating
- Daily prepared nutritious breakfast, lunch, and snacks using fresh, whole foods
- Affordable, competitive tuition rates, vouchers welcome
- The Creative Curriculum® is used from infant through preschool to ensure Kindergarten readiness
- Developmental assessments are conducted four times a year
- Parent/Teacher Conferences are held two times per year sharing outcomes of fall/spring checkpoint assessments
- Conveniently located at 1645 Clanton Rd, Charlotte, NC 28208
